## Sponsorship Opportunity

AFCC is the Association of Family and Conciliation Courts; a non-profit, interdisciplinary organization of professionals dedicated to the resolution of family conflict.

We are recruiting sponsors for the 2024 AFCC Alberta Chapter Annual Conference: *Thinking Differently: Exploring New Frameworks for Working with Complex Families*. Contributions from our sponsors help our non-profit organization succeed.

## WHY CHOOSE US?

The AFCC Alberta Chapter is unique as a professional association, as our 200+ members do not share a common profession. Members are lawyers, mediators, psychologists, researchers, academics, counselors, Court Commissioners, custody evaluators, members of the judiciary, psychiatrists, parenting coordinators, Court Administrators, social workers, parent educators, financial professionals, and students.
